Important PGJH Library Information:

Dear Parents,
We just want to let you know that if your student(s) have any books checked out from our library there will be no overdue charges or fines on any books, no worries about that.
Also, I just want to make you aware of the available places that students can have access to for help while school is out.

For books, we want students to be aware of the Student Overdrive Reading App (SORA) that all students have access to. The free SORA app can be downloaded to an iPhone or other digital phone device, or can also be accessed by computers or Chromebooks. The Alpine School District has a large, extensive eBook and Audiobook collection. The collection of eBooks and Audiobooks includes books from elementary level all the way up through High School level.

Students can access **Overdrive / SORA** by searching for the Alpine School District Library and then look at the drop-down School list (Pleasant Grove Jr. High School). At that point student will be able to login.
The student Login is: Student # and Last Name.
Books will start to load so students can browse the titles. *Audiobooks will show a headphone on the corner of the book. Books can also be searched for by title. Students can check out 2 books at a time. When finished they can be returned and other books can be checked out. Books can also be renewed. It's a wonderful resource, please use it.

I also want to make you aware of **UEN, Utah Education Network**. This is a fantastic resource for students to use for school work and research. UEN access' all curricular subject areas and topics. Access to UEN's online Library can be found at: onlinelibrary.uen.org .
Login: online   Password: school

Please take a look at this wonderful site, it's well worth the time!

We are Vikings and We Row Together!

Happy Reading!

Mrs. Cloward
