

# PGJH Student Online Lessons

This File contains Four Items:

1. Online Learning Basics for Parents (Home Device)
2. Online Learning Basics for Parents (Chromebook)
3. Parent/Guardian Guide to Canvas
4. Una guia para padres / tutores sobre Canvas

## ONLINE LEARNING BASICS FOR PARENTS

### USING A HOME COMPUTER OR DEVICE, NOT A SCHOOL ISSUED CHROMEBOOK

Parents,

Here is a brief look at some of the online learning tools that your student may be using and some basic information for you as you support your student through this transition.

Your student may use Canvas, Google Classroom, or a combination of both for their online learning, depending on their teacher and grade.

**SKYWARD:** Used to check grades & attendance, communicate with teachers via email.

Login: ALL parents of have a unique login and password @ skyward.alpinedistrict.org  
Contact the school registration secretary to find out your login and (re)set a password.

**CANVAS FOR STUDENTS:** Used by secondary teachers to deliver instruction and by students to access the lessons, submit projects, & participate in the online learning classroom.

Student login instructions using your HOME computer or device.

1. **IMPORTANT!** Make sure ALL other users of the home computer or device are logged OUT of their google accounts.
  2. Go to gmail.com and select the student's account if listed. If not, select "Use another account."
  3. Login to your ASD gmail account using your **alpinesd.org** email address and password. Do NOT sign in using GUEST mode.
  4. Click on the "waffle" icon next to your login picture in the upper right corner of the page
- 
5. Scroll down, you may need to select "see more" at the bottom of the apps menu. Choose CANVAS.
  6. For support with this app, please contact your student's teacher.

**GOOGLE CLASSROOM:** Learning Management System used in elementary and secondary schools.

1. **IMPORTANT!** Make sure ALL other users of the home computer or device are logged OUT of their google accounts.
  2. Go to gmail.com and select the student's account if listed. If not, select "Use another account."
  3. Login to your ASD gmail account using your **alpinesd.org** email address and password.
  4. Click on the "waffle" icon next to your login picture in the upper right corner of the page
- 

5. Choose the CLASSROOM icon.
6. For support with this app, please contact your student's teacher.

## ONLINE LEARNING BASICS FOR PARENTS USING A SCHOOL ISSUED CHROMEBOOK

Parents,

Here is a brief look at some of the online learning tools that your student will be using and some basic information for you as you support your student through this transition.

Your student may use Canvas, Google Classroom, or a combination of both for their online learning, depending on their teacher and grade.

**SKYWARD:** Used to check grades & attendance, communicate with teachers via email.

Login: ALL parents of have a unique login and password @ skyward.alpinedistrict.org  
Contact the school registration secretary to find out your login and (re)set a password.

**CANVAS FOR STUDENTS:** Used by secondary teachers to deliver instruction and by students to access the lessons, submit projects, & participate in the online learning classroom.

Student login instructions using a school issued Chromebook:

1. Open the Chromebook and enter the first part of your school gmail account.
  2. Go to gmail.com
  3. Click on the “waffle” icon next to your login picture in the upper right corner of the page
-   
4. Scroll down, you may need to select “see more” at the bottom of the apps menu. Choose CANVAS.
  5. For support with this  app, please contact your student's teacher.

**GOOGLE CLASSROOM:** Learning Management System used in elementary and secondary schools.

Student login instructions using a school issued Chromebook:

1. Open the Chromebook and enter the first part of your school gmail account.
  2. Go to gmail.com
  3. Click on the “waffle” icon next to your login picture in the upper right corner of the page
-   
4. Choose the CLASSROOM icon. 
  5. For support with this app, please contact your student's teacher.

## A Parent/Guardian Guide to Canvas

There is no parent login for Canvas, so if you would like to see what your student is working on, you must log in with their school email and password.

Once you are in, you will see your student's classes listed on their "dashboard". Click on the class name that you would like to access.

You will then be in that class's "Homepage." From here, you can click on "Modules" to see all assignments, quizzes, and discussions that your student has worked on in class and any future assignment that the teacher has chosen to post. Each teacher's page will look different, but you can always find any work in the "Modules" section.

The screenshot shows a web browser window with the URL <https://alpinepd.instructure.com/courses/29>. The page title is "ILC Training". On the left, there is a vertical sidebar with icons for Home, Modules (circled in red), Google Drive, Grades, and MasteryConnect. The main content area features a large logo with silhouettes of people and the text "GROWING FORWARD ALPINE SCHOOL DISTRICT". A red arrow points from the text "Click on 'Modules'" to the "Modules" button in the sidebar. To the right, there are sections for "View Course", "To Do" (empty), "Course Groups" (empty), "Coming Up" (empty), and "Recent Feedback" (empty). At the bottom, there is a "COURSE INTRODUCTION:" section with the UEN logo and a welcome message.

\*Please note that Skyward is still the official grade platform, so your student's grades will always be posted and updated there.

If you have specific questions about any assignments, please contact the teacher directly.  
Thank you!

## Una guía para padres / tutores sobre Canvas

No hay una sesión principal para los padres en Canvas, pero lo que se desea ver es qué su estudiante está trabajando. La sesión se debe iniciar con el correo electrónico y contraseña del estudiante de la escuela.

Una vez que ingrese, verá las clases de su estudiante en su "tablero". Haga clic en el nombre de la clase a la que le gustaría acceder.

A screenshot of the Canvas User Dashboard at [https://canvastutorials.instructure.com/?login\\_success=1](https://canvastutorials.instructure.com/?login_success=1). The dashboard has a dark sidebar on the left with icons for Account, Dashboard, Courses, Groups, Calendar, Inbox, and Help. The main area is titled 'Dashboard' and shows four course tiles: 'An Introduction to the Humanit...' (HUMANITIES 101), 'Biology 101' (BIOLOGY 101), 'Communication 101' (COMMUNICATION 101), and 'History 101' (HISTORY 101). To the right of the dashboard is a 'To Do' list with items like 'Grade Research Assignment', 'Grade Basic Principles of Biology', 'Grade Genetics Quiz', 'Grade Photosynthesis', 'Grade Video Assignment', and '8 more...'. Below the 'To Do' list is a 'Coming Up' section stating 'Nothing for the next week'. At the bottom right is a 'View Grades' button.

Entonces estará en la "Página de inicio" de esa clase. Desde ahí, puede hacer clic en "Módulos" para ver todas las tareas, cuestionarios y debates en los que su estudiante ha trabajado en las clases y en el futuras tareas que el profesor ha elegido publicar. La página de cada maestro se verá diferente, pero usted siempre puede encontrar cualquier trabajo en la sección "Módulos".

Tenga en cuenta que Skyward sigue siendo la plataforma oficial de calificaciones, por lo que las calificaciones de sus estudiantes siempre será publicado y actualizado.

Si tiene preguntas específicas sobre cualquier tarea, comuníquese directamente con el maestro.

¡Gracias!
