

Pleasant Grove Jr High

March 20, 2020

Dear Parents,

What a week it has been! We appreciate your support and help through this interesting time! Just wanted to pass on a few updates for you.

- Office Hours will be 8:00-12:00 next week. Students may come in and pick up items and Chromebook checkouts will continue.
- The Media Center will be open Tuesday and Thursday from 9:00-11:00 for book drop off and check out. We are asking that students limit their time to about 15 minutes and we will follow the guidelines established by the Health Department so groups will be limited to 10 in the Media Center at a time.
- Many have asked if we know when school will resume. We don't have any more information on this other than that the school dismissal would last until March 27. We will update you if we get more information.
- The Grab and Go for school breakfast and lunch has changed a bit. You may now pick up breakfast and lunch at the same time for all students that attend Alpine School District Schools at any of their schools. Because of this change, **all meals will be distributed from 8:30-11 AM**. Another change is that **schools will serve any student at any neighborhood school free of charge**.
- Please see the Pleasant Grove Junior High School website for instructions on Chromebook use, access to Canvas, and other resources.
PleasantGrove.alpineschools.org.

Thank you!
Mr. Dalley
