

# At Home Chromebook Permission

**For:** Students attending a Next Generation School

**Purpose:** This tutorial shows parents how to consent to a student chromebook checkout. This is done through Family Access in Skyward.

**Step 1:** [Login to Skyward](#) with a Parent Account. Select '*Student Information Update*' then select your student. *Note: If you need assistance logging into Skyward, Click on 'Forgot your login/Password?' and an email will be sent to your registered email address within Skyward. Or you may call your local school for assistance.*

The screenshot displays the Skyward Family Access interface for Daffney Duck. The top navigation bar includes links for Daisy Duck, My Account, Contact Us, Email History, and Exit. The left sidebar menu lists various options, with 'Student Information Update' highlighted. A red callout box with the text '1. Select 'Student Information Update'' points to this menu item. The main content area shows instructions for selecting a student, with a second red callout box '2. Select Your Student' pointing to a student selection box for 'Daffney 2021-2022'. To the right, a 'Steps:' list outlines the process: 1. Verify Student Information (a. Student Information, b. Family Address, c. Family Information, d. Emergency Information, e. Emergency Contacts), 2. Student Internet & Computer Use Policy, 3. At Home Chromebook Permission, 4. Student Personal Information Release, 5. Verify/Update Skylert Information, 6. School Website (Handbook, Discipline, Fees, Lunch), 7. SHARP Survey Consent, 8. Verify Ethnicity/Race, and 9. Complete Student Information Update. At the bottom right, there are 'Next' and 'Close and Finish Later' buttons.

## At Home Chromebook Permission(cont.)

**Step 2:** 'Verify Student Information' clicking through the links. Select '*Student Internet and Computer Use Policy*'. Read through the Student Acceptable Use Agreement then select an option. If consent is given, the student will receive student accounts (eg.. student email account) allowing them to participate in online learning at Alpine District.

#### Student Acceptable Use Agreement

School Name: Cedar Valley High School  
Student Name: Daffney Duck  
Student Id Number: 181245

The agreement linked below contains rules and guidelines for the acceptable and responsible use of technology resources. Technology resources include, but are not limited to, the internet and district network, computer or online devices at school, learning and productivity software (including student email; productivity tools; learning software licensing; online textbooks; and school, district, or state learning platforms), and school, district, or state provided online resources, sites, or forums.

Please review this agreement and mark your choice below.

[Student Acceptable Use Agreement](#)

I consent to the use of technology resources by my student.  
 I decline the use of technology resources by my student.

Steps:

Alpine School District  
Agreement for the Use of Instructional Technology

School Name: Cedar Valley High School  
Student Name: Daffney Duck  
Student Id Number: 181245

Your student's school is participating in Alpine's Next Generation School's initiative where students are assigned a Chromebook for use in their classes. As part of this initiative, students are offered the privilege of taking the assigned Chromebook off campus to facilitate learning at home.

Please review the following agreement and indicate your choice below.

[Agreement for the Use of Instructional Technology Property](#)

I consent to the use and care of the assigned Chromebook off campus according to the terms of the agreement.  
 I decline the use of the assigned Chromebook off-campus. My student will be given instructions to store their assigned device when the student is not in school.

Steps:  
1. Verify Student Information  
a. Student Information  
b. Family Address  
c. Family Information  
d. Emergency Information  
e. Emergency Contacts
